

## FINAL CONFERENCE

The School as a Sustainability Hub: Approaches, Tools, and Practices for Empowering the School Community.

We are thrilled to welcome you to the **University of Thessaly** on **March 20-21 2026**, for the grand finale of our Erasmus+ journey!

### WHAT TO EXPECT:

The conference will present the results of the GreenComp School project and how education can strengthen sustainable awareness among students, teachers, and parents. The program includes presentations, workshops, and practical tools for developing green skills in schools.

**20-21 March 2026**

**University of Thessaly - Aula "Kordatos" and Workshop Rooms  
Argonafton & Filellinon St. - Volos, Greece**

AGENDA
